## **Mission Statement**

To provide a consolidated labor relations program (between the association and our labor partners, SMWIA Local 104) addressing the individual concerns of contractors.

To promote opportunities and enhance the business environment for Bay Area Union Sheet Metal Contractors through:

- Educational programs for Bay Area SMACNA member firms designed to help achieve continuing industry profitability and growth; and,
- Educational and promotional programs presented to awarding authorities (including architects, engineers, building owners, governmental agencies, home owners and other direct construction users) which programs identify the value and wisdom of utilizing the quality services of Bay Area SMACNA member firms; and,
- Marketing, advertising and promotion of the Sheet Metal Industry for the benefit of all Bay Area SMACNA member firms.
- Local, State and Federal Legislative and Regulatory Advocacy to represent the business interests of our members.
